La protection des défenseurs des droits fonciers

ILC STRATEGY FOR BUILDING CAPACITIES IN ARAB COUNTRIES

- Commitment Based Initiative (CBI) with focus on the Commons
- National Engagement Strategy (NES) – first one in the Arab world in Jordan
- Landex: <https://www.landexglobal.org/en/> data and monitoring land governance
- Global Land Forum - March 2022
- Global Advocacy spaces: SDGs, Beijing+25, UN Forum of Food Systems, UN decade of Family farming, UN Decade of Ecosystem Restoration among others

AGENTS OF CHANGE:

EUROPE, MIDDLE EAST AND NORTH AFRICA

- Supporting the **civil society** in enhancing the democratic space: participatory approach to decision making;
- **Local communities councils and authorities** role in land governance'
- Empowering **women** by emphasizing their rights to land through the rights- based- approach to development;
- Supporting **youth** through ILC youth platform and also the Youth Land Forum with the GLF.

CAPABILITIES AREAS

WITHIN ILC

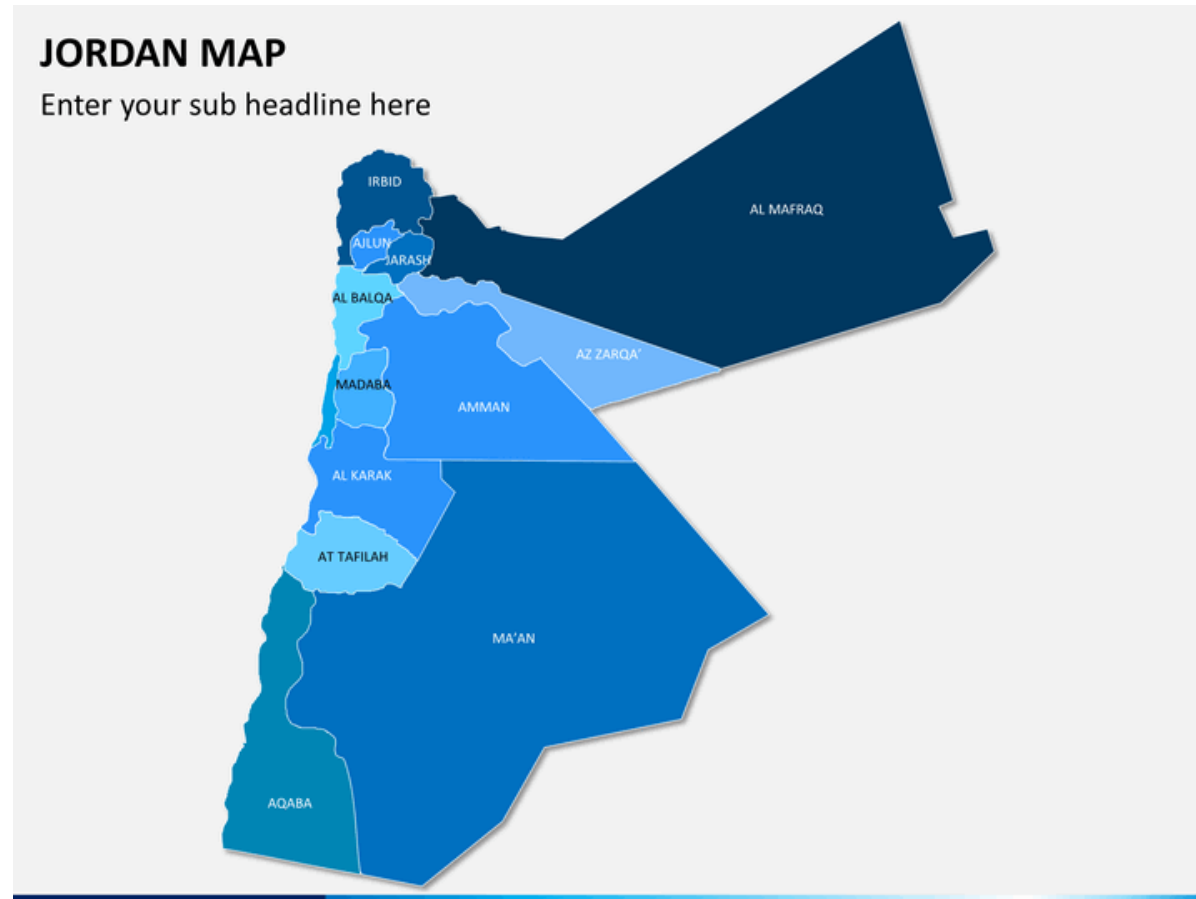

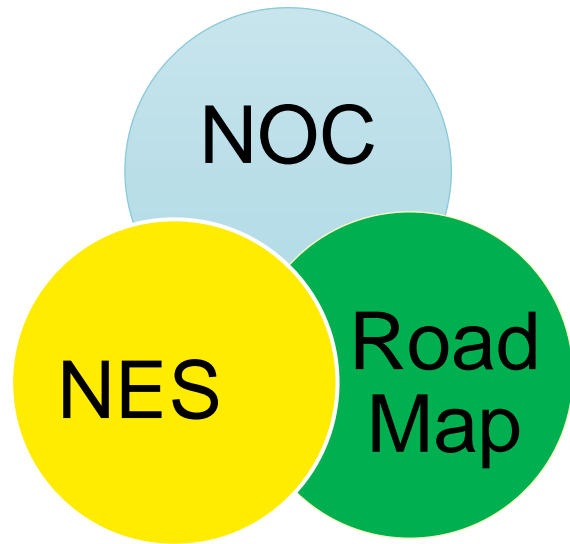

- **Good governance and accountability**
- **Gender Justice**
- **Reporting, planning and Monitoring and Evaluation**
- **Resource Mobilisation and Partnership**

CAPABILITIES AREAS

BEYOND ILC

- **Community Land Protection**
- **Engaging with the private sector and Responsible Agriculture Investment**
- **Women Land Rights**
- **Land data and monitoring for transparency and accountability**
- **Parallel reporting to CEDAW and SDGs (UPR)**
- **Institutional strengthening for civil society in EMENA**

COUNTRY PRIORITIES AND FOCUS
