

**3rd International Conference & Exhibition
Advanced Geospatial Science & Technology (TeaGeo 2021)
20-22 October 2021
Tunis, Tunisia**

The Third International Conference & Exhibition on Advanced Geospatial Science & Technology (**3rd TeaGeo 2021**). The Conference main theme will be: “Advanced Geospatial Science & Technology”.

There will be an exhibition featuring international and local companies, organizations and government offices specializing in a variety of geospatial services. The exhibition provides participants and exhibitors with an excellent opportunity to network and exchange ideas regarding the promotion of geospatial Science and technology in North Africa.

The TeaGeo2021 exhibition represents an opportunity for your organization to promote its technology and main research capabilities and create effective partnerships with the North African geospatial community. The forum will attract around 500 participants from all over the world in search of collaborative geo-information partnerships, providing you as an exhibitor with a unique network opportunity.

This document has been designed for the benefit of corporate bodies, organizations or persons who may wish to participate in the exhibition. Registration and other forms annexed to this document should be completed as soon as possible and returned by fax or electronically to the addresses/numbers below:

**3rd International Conference & Exhibition
Advanced Geospatial Science & Technology (TeaNGEO 2021)
20-22 October 2021
Tunis, Tunisia**

**TEANGEO 2021 EXHIBITION
20 – 22 October 2021**

1. OBJECTIVES OF THE EXHIBITION

- To showcase innovative geospatial science and technology projects and tools (public, private or public-private partnerships) in and with North African States
- To demonstrate the role that geospatial science and technology can play in North Africa's socio-economic development
- To demonstrate the potential return on investment in geospatial science and technology.
- To encourage North African policymakers to invest in geospatial science projects and education.
- To encourage skills and capacity building in geospatial science and technology.
- To encourage North African youth to take up careers in geospatial science and technology.

2. TERMS AND CONDITIONS FOR PARTICIPATION

- **Application for participation:** Interested exhibitors need to fill and return the registration form, which can be downloaded from the TeaNGEO 2021 website.
- **Allocation of exhibition Space:** Exhibition space will be made available at the Cité des Sciences de Tunis. Each participant will be allocated a space of 6sqm (2mx3m). Participants can however request for a multiple number of the standard booth.

3. EXHIBITION BOOTH PACKAGE

- Shell scheme of 6 sqm (3mx2m)
- Name banner (Stand sign)
- Two complimentary identification badges
- 60-word organizational profile in the Exhibition Guide
- General illumination
